"Laura made me and my bridesmaids look absolutely amazing! Our hair all stayed in all day and we had so many compliments! Laura is such a lovely kind lady that helped us so much on the day and nothing was to much trouble for her"

*Mrs Jessica Surridge (charlesworth)*

"Laura did an excellent job for my wedding party (4 bridesmaids, Mother of bride and me). We met her at the venue's wedding fair and from the very start she was enthusiastic and bubbly, full of ideas. She recommended my make up artist and also a second hair dresser to work on the grooms family. On the day she kept the atmosphere relaxed as she and Tara juggled us between them but without rushing once, she took charge of the mornings timeline with aplomb. altogether a pleasure to work with"

*Mrs chloe ardolino (brindley)*

"Laura made my day!!! she was professional, calming and couldn't do enough for me. I dont honestly think i could have done it with out her and my bridesmaid agreed. I had so many compliments about my hiar and the bridesmaid hair that day even form the men! I honestly cant thank Laura enough for making my day so special."

*Mrs chantelle smyth (wormell)*

"Laura was an absolute star throughout the hair trial, my bridesmaid's hair trial and the wedding itself. She's got such a great personality and she was always full of good ideas. Laura completely understands different hair types and she's very skilled at what she does. I completely trusted her and found her to be incredibly supportive on the wedding day - not just with my hair, but with all sorts of things, including helping me into my dress! I can't recommend her enough."

*Mrs Lyssa Brownsea*

"Laura was a pleasure to have in the preparation of my wedding. She made both me and all my 5 bridesmaids look incredible despite all of them having very different hair types and lengths!"

"Every time I have had the pleasure to have Laura style my hair (best friends wedding, sisters wedding and most recently my own) she has always been very professional, full of inspiration and I fully put my trust in her to use her imagination and knowledge to find the perfect style for my bridal party. She is very reasonably priced. Laura is so experienced on wedding mornings that she helps with the bridal parties timings and on all 3 wedding mornings has made sure bride leaves ready& on time"

truly pampered and the results were beautiful. Laura's attention to detail and attentiveness are a real credit to her, she really does want every bride to look her best and makes sure it happens too. My hair was exactly how I dreamt it would be and the bridesmaids were stunning too, thank you so much Laura you made the day so special for us."

*Mrs Sarah Longman (Smith)*

"Laura is absolutely amazing at what she does. It's not just a hair style, it's a service from start to finish. Laura is professional, friendly and just wonderful to be around. She makes you feel your best as soon as you walk in the room. Laura even came to my wedding venue to make sure my hair was perfect before I walked down the aisle. She's reliable which is what you need on your wedding day. I can't thank her enough!!"

*Mrs Anastasia Day (Howard)*

"Laura was so so much more than my hair dresser. She was more of a wedding planner / friend throughout the whole process. She offered me more than one hair trial to ensure I was totally happy with my final choice for the day. She gave me her professional opinion on my ideas making them better than my own. On the day I would have been lost without her, she made the morning run smoothly. Ensuring time scales were met for myself and the whole bridal party."

*Mrs Fiona Tanner (Ball)*

"Very friendly and made sure I was totally comfortable, calm and stress free! Laura also helped me with my dress and veil etc."

*Mrs Clare Warren*

"Booking hair was one of the biggest decisions for me; I'm a perfectionist who had a very specific dream, which I knew only a talented and creative hair stylist could achieve. Laura understood and worked with me from the start - her enthusiasm and creative nature was so wonderful to work alongside and the eventual hair so was just breathtaking. She's a wonderful lady and has such a passion for her craft. She's also a calm presence in the morning - very much needed!!"

*Mrs Katie Guerrini*

"Laura was fantastic, I had so many comments on my hair both on the day and on people looking at photos afterwards. While I had ideas she helped guide me to the perfect style. Doing mine and my five bridesmaids hair on our wedding morning seemed like a breeze to her and it was on her birthday!"

*Mrs Clare Whicher (Shinton)*

what I wanted for my wedding. The trial appointment was held at her beautiful salon where I was made to feel very special and pampered. I was absolutely thrilled with my hair on the day, as were my 3 bridesmaids, who all commented on how friendly Laura is and how much fun we had getting ready on the wedding day."

*Mrs Sophie Watts*

"I have my hair in a short bob yet I wanted something different for my beach wedding, and Laura did a very elegant up do for me. It was not something I would have thought of doing but it looked beautiful and went perfectly with my dress. My guests all commented on how lovely it was."

*Mr Amanda Robinson*

"Laura is an amazing hair stylist. My disabled mother, 2 bridesmaids and myself were absolutely over the moon with how beautiful Laura made us look. Laura went out of her way to provide the best possible service that could be offered. She was amazing with my mother who was very nervous and worried and she put her at total ease and made her feel comfortable. Laura also helped my maid of honour tighten the back of my dress up and made it perfect without any stress. I cannot thank her enough! Amazing"
